## ■ Specification

### Solar Panel

Module peak power	10Wp, Vm:8.5V
-------------------	---------------

### Technical Data

Nominal system voltage	6.4V
Battery capacity	38.4Wh
Battery type	LiFePO4
Appliance outlets	3×DC 6.4V, Max. 2.0A
USB output	2×5V / 2.0A
Built-in LED Light	Max. 1W,dimmable with 3 brightness settings
Charge Input	8.5V, Max.2.0A
Protection features	overcharge, over current, deepdischarge, short circuit
Weight	236 g
Dimensions	170×150×65 mm
Accessories	1.5W LED light ×3, 5in1 USB cable ×1
